EZpay is a free interest monthly payment program designed to make the Annual Pass fit easily on your budget. There is a 12-month initial commitment, and then your Pass will automatically renew monthly for a month (at a rate that can be adjusted based on the then retail price plan you originally selected), provided that you're eligible to cancel at any time after the 12-month initial commitment period. You don't need to buy an annual pass for EZpay, however EZpay is a payment program designed to make the Annual Pass easily fit into your budget as long as your Annual Pass is active.
